exer
URGENT CARE ™

LET'S GET
YOU BETTER.

3 Easy Ways to Access Your COVID-19 Results

1 SMS Text (see instructions to the right)*

2 Patient Portal (see reverse)

3 If you don't receive the text or can't access the portal, call the Exer location where you were tested at.

*US cell phones only. Landlines and international phone numbers not compatible.

Lab Results
Specify how to receive lab results

✅ **How would you like to receive your message?**
Select at least one, or as many as you like

✔ Text me

✔ Email me (you must provide a valid email address in the space below)

✔ Stay on web

Please confirm (required):

✔ I consent to receive health information, including lab results, via this system and/or unencrypted text or email

After you receive the text, follow these steps:

1. Click the lab results link in the text message.

2. Specify how you would like to receive your results.

TIPS:

1. *Select all 3 options so you have more choices.*

2. *If you need to start over, see Step 1 above.*
